

Wound Care Conference 2024

Thursday, June 27, 2024 | Day 1

Opening Ceremony 09:00 - 09:30

Keynote Forum

09:30-10:15 **Title: Photobiomodulation, as additional treatment to traditional dressing on hard-to-heal venous leg ulcers, in frail elderly with municipality home healthcare**
Degerman M | Municipality of Skelleftea | Sweden

10:15-11:00 **Title: Ensuring quality wound care: the vital role of documentation, staff education, and pressure injury prevention for nurses**
Elijah J Carroll | EJC Nurse Consulting | USA

11:00-11:45 **Title: Obesity and Hospital-Acquired Pressure Injury Risk**
Kathy Kump | University of Kansas | USA

Networking & Refreshment Break 11:45-12:00

Panel Discussion

Sessions on: Wound Care | Negative Wound Therapy | Plastic Surgery

Sessions Chair: Degerman M | Municipality of Skelleftea | Sweden

12:00-12:30 **Title: Eliminated! Medical-Device Pressure Injuries**
Marissa Hudler | Baylor Scott and White Health | USA

12:30-13:00 **Title: Interdisciplinary Collaboration in Case Reviews Plays a Crucial Role in Reducing Hospital-Acquired Pressure Injuries**
Marissa Hudler | Baylor Scott and White Health | USA

13:00-13:30 **Title: Skin pigmentation impacts the clinical diagnosis of wound infection: Imaging of bacterial burden to overcome diagnostic limitations**
Martha R Kelso | Wound Care Plus, LLC | USA

13:30-14:00 **Title: Reducing number of cast-related pressure injury cases for post-orthopedic surgical patients**
Leonard Brian dela Cruz Alfonso | Amana Healthcare | UAE

Lunch Break 14:00-14:30

Panel Discussion

Sessions on: Regenerative Medicine | Dermatology | Oncology Wound Care

Sessions Chair: Elijah J Carroll | EJC Nurse Consulting | USA

15:00-15:30 **Title: Enhancing validation of hospital-acquired pressure injuries (HAPIS) during prevalence surveys: the role of wound, ostomy, and continence nurses (WOCN) in the transition from paper to electronic records**
Stephanie A. Ingram | Wound Care Specialist | USA

15:30-16:00 **Slots Available ****

16:00-16:30 **Title: Effect of incentive spirometry on post-operative recovery**
Kusum K Rohilla | All India Institute of Medical Sciences | India

Networking & Refreshment Break 16:30-17:00

Panel Discussion

Sessions on: Wound Dressing | Wound Management

17:00-17:25 Title: **Determinants of Keloid recurrence: the role of keloid recurrence scoring system**
Ferdinand Nangole | University of Nairobi | Kenya

17:25-17:40 Title: **Do mesenchymal stem cells influence keloid recurrence?**
Ferdinand Nangole | University of Nairobi | Kenya

Young Researcher Forum

17:40 - 18:00 Title: **Use of standardized treatment protocols in promoting timely management of pressure injuries**
Joshua Moralejo | University Health Network | Canada

****ORAL PRESENTATION SLOTS AVAILABLE****

Poster Presentation Sessions (18:00 - 18:20)

PP 01 Title: **Wound management in a young paraplegic patient**
Daniel Wolny | The Military Hospital Olomouc | Czech Republic

PP 02 Title: **Assessment of dose related response of intralesional triamcinolone acetonide in the treatment of keloid scars at kenyatta national hospital: A clinic based randomised control study**
Andrew Were Onyino | University of Nairobi | Kenya

Panel Discussion

Video Presentation (18:20-18:30)

VP 01 Title: **Does prolotherapy have an effect on the care of pressure injuries? A randomized controlled trial**
Rukiye Kokkiz | Fenerbahçe University | Turkey

VP 02 Title: **Prevalence and determinants of lower extremity amputations among type I and type II diabetic patients: A multi center -based study**
Lawrence Sena Tuglo | University of Health and Allied Sciences | Ghana

Thanks Giving and Closing Cermony Day 01

Friday, June 28, 2024 | Day 2

Opening Ceremony 09:00 - 09:30

Keynote Forum

09:30-10:15 Title: **Borrowing from nature: Placental therapy a significant tool for wound healing therapy**
Madhu Gupta | Delhi Pharmaceutical Sciences & Research University | India

10:30-11:15 Title: **An integrative literature review to identify if the use of negative pressure wound therapy on closed/incision surgical wounds decreases the risk of surgical site infection in high-risk patients**
Zhavandre van der Merwe | Cardiff University | UK

11:15-11:45 ****Slots Available**

Networking & Refreshment Break 11:45-12:00

Panel Discussion

Sessions on: Podiatry wound care | Skin Care | Grafting

Sessions Chair: Zhavandre van der Merwe | Cardiff University | UK

12:00-12:30 Title: **Agarose-based immunomodulatory and antibacterial nanofibrous mats for addressing chronic cutaneous wounds**
Sachin Latiyan | Indian Institute of Technology Madras | India

12:30-13:00 **Title: Risk factors of hospital-acquired pressure ulcer among adult ICU patients in selected tertiary hospitals**
Fatma Al-Mamari | Sultan Qaboos University | Oman

13:00-13:30 **Slots Available****

13:30-14:00 **Title: Trends in pressure injury development in patients with lower motor neuron and upper motor neuron lesions: A retrospective descriptive study**
Marjorie Morgan | Kennedy Krieger Institute | USA

Lunch Break 14:00:15:00

Panel Discussion

Sessions on: Wound Care Nursing | Wound Care & Nutrition | Bioengineered Skin

Sessions Chair: David B Alper | American Diabetes Association | USA

15:00 - 15:30 **Title: The use of Biomaterials in oral rehabilitation: New trends**
Gustavo Vicentis de Oliveira Fernandes | Salgado de Oliveira University | Brazil

15:30 - 16:00 **Title: Operative versus non-operative treatment in diabetic dry toe gangrene**
Abdullah AlWahbi | King Saud University for Health Sciences | Saudi Arabia

16:00 - 16:30 **Title: Therapeutic and nutraceutical potential of marine macroalgae: Benefits to human health**
Ana Marta Gongalves | University of Coimbra | Portugal

Networking & Refreshment Break 16:30-17:00

Panel Discussion

****SLOTS AVAILABLE****

17:00-17:30 **Title: Advanced wound therapies: When and which patient?**
Beji Saji | Sun West Mortgage Company | USA

Poster Sessions (18:00 - 18:20)

**** POSTER PRESENTATION SLOTS AVAILABLE****

Video Presentation (18:20-18:30)

P01 **Title: The effectiveness of negative pressure wound therapy in inducing hypoxia compared to standard occlusive wound therapy in traumatic wounds**
Christopher Matwa Ondieki | University of Nairobi | Kenya

Sessions on: Surgery | Nursing care | Wound Infections

09:30-10:00 **Title: Pressure injury care program effects on nurses' performance and patients' pressure injury wound healing outcomes**
Samia Gaballah | Suez Canal University | Egypt

10:00-10:30 **Title: Importance of wound care in nursing education**
Samia Gaballah | Suez Canal University | Egypt

10:30-11:00 **Title: Addressing socioeconomic disparities in limb salvage**
Christine Miller | University of Florida | USA

11:00-11:30 **Title: Invitro study on acrylic resin composition and evaluation**
Yasser R Souror | Al-Azhar University | Egypt

Networking & Refreshment Break 11:30-12:00

Panel Discussion

12:00-12:30 **Title: Complex Reconstruction of Fournier's Gangrene using a novel totally synthetic polyurethane bilayer dermal template - NovoSorb™ Biodegradable Temporising Matrix**

Alex Parker | University of Sussex | UK

12:30-13:00 **Title: Interactive wound dressings in the treatment of venous ulcers**

S.M. Yumin | Russian National Research Medical University | Russia

13:00-13:30 **Evaluation of applying negative pressure in two different methods on the retention in upper complete Dentures**

Nour Mayhoub | Syria

* The program schedule is subject to change
