Major Sessions

- *Advanced Materials and Functional Devices*
- *Composite Materials*
- *Smart Materials*
- *Advanced Bio-Materials and Bio-Devices*
- *Metals and Metallurgy*
- *Optical Materials and Plasmonics*
- *Functional Graded Materials*
- *Nanotechnology*
- *Nanomaterials & Nanoparticle*
- *Polymer Science and Engineering*
- *Nanomedicine*
- *Carbon Nanostructures and Graphene*

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
 - Learn about career development and the latest research tools and technologies in your field
 - This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
 - Develop a foundation for collaboration among young researchers
 - The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
 - Interact and share ideas with both peers and mentors
- Best Poster Award Young Researchers Forum
