Venue & Hospitality

Kualalumpur is the federal capital and most populous city of Malaysia. Kuala Lumpur dazzles as one of the world's most popular cities among tourists and fastest growing metropolitan regions in the country. Ranked as an alpha world city, it's the economic, financial and cultural city of the country and one of three Malaysian Federal Territories. The city is primarily a mix of Malays, Chinese and Indians, although there are many cultures in the city such as Eurasians, Kadazans, Ibans and indigenous peoples from East Malaysia and Peninsula Malaysia

Tourist love the city as it has numerous great sights and attractions. Kuala Lumpur is the perfect destination for a short visit or stopover to the great city during their travels through Malaysia. Kuala Lumpur's best attractions - making the cut are world famous iconic landmarks like the Petronas Twin Towers, religious hotspots like Batu Caves, as well as culturally enriching streets markets and botanical gardens.
