

International conference on

# Geriatrics and ageing

April 13-14, 2020 | Auckland, New Zealand

*Theme: “Advancing the Elderly Care  
Practices for Promoting Healthy Ageing”*

# *Invitation...*

**Dear Colleagues,**

**International conference on Geriatrics and Ageing (Ageing 2020)** extends its welcome to you during **April 13-14, 2020** at **Auckland, New Zealand**. with a theme "**Advancing the Elderly Care Practices for Promoting Healthy Ageing**". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **Ageing 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of geriatrics and ageing.

## *Why to Attend???*

Ageing 2020 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Aging and Geriatric Medicine. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Aging and Geriatric Medicine. The Ultimate goal of the conference is to help the medical professionals in the geriatric field as well as general public to understand, empathize and take prompt actions to help old people across the globe.

A nighttime cityscape with a prominent tower, likely the CN Tower, illuminated against a dark sky. The city lights are visible in the background, creating a warm, glowing atmosphere.

# Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Geriatrics and Elderly Care are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

## *Auckland, New Zealand*

Auckland, the largest city in New Zealand is a vibrant place with a mix of various cultures, tastes and land-scape. The city is set between 2 harbors and is a wonderful place consisting of beaches, islands, vineyards. It is well known as the "City of Sails" because of the many yacht harbors and sailboats.

The 2 main islands Of New Zealand are North Island and South Island and Auckland is located in the north of the North Island. It rests on a narrow Isthmus between 2 harbors, Manukau Harbor and the Waitemata Harbor. Auckland is at the center of the Hunua Hilly Ranges to the south-east, the Hauraki Gulf in the east which is a part of the Pacific Ocean, Manukau marina in the south-west and the Waitakere Ranges and other smaller ranges to the west and north-east respectively.
