

International Conference on  
**Agriculture Sciences and  
Farming Technology**

August 26-27, 2020 | Osaka, Japan

*Theme: “Cross-Sectoral Dialogue on the Adoption of  
Environmentally Sustainable Innovations”*

# *Invitation...*

**Dear Colleagues,**

**International Conference on Agriculture Sciences and Farming Technology (Agri Farm 2020)** extends its welcome to you during **August 26-27, 2020** at **Osaka, Japan**. with a theme **"Cross-Sectoral Dialogue on the Adoption of Environmentally Sustainable Innovations"**. Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **Agri Farm 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Agriculture Sciences.

## *Why to Attend???*

Agri Farm 2020 goal is to provide participants continuing dental education, propose novel research techniques, improve the skills and expertise in the areas of Dental Health, Oral Care, Public Health Dentistry, Endodontics and Orthodontics with its well-designed scientific program and quality lectures. It also paves way for making a good relationship with the dental associates through the B2B meetings and develop better business opportunities.

A large green tractor is shown in a field of green crops, likely corn, under a bright sky. The tractor is positioned on the left side of the image, facing right. The background is a soft, hazy landscape with more crops and a distant horizon.

# Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Cardiology and Healthcare are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Plant Breeding
- Agronomy
- Agrochemical
- Plant tissue culture
- Pesticides and Fertilizers
- Agro-ecology
- Organic farming
- Crop protection
- Improvement of Human Health
- Food science
- Food technology
- Agricultural Biotechnology
- Plant Nursery
- Plant Biotechnology
- Phytonanotechnology
- Plant Physiology and Biochemistry
- Plant Protection
- Plant Genetic Engineering and GM Crops

## Agri Farm 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
  - ☞ Asian Journal of Plant Science & Research
  - ☞ Advances in Crop Science and Technology
  - ☞ Journal of Plant Physiology & Pathology

# Program at Glance

August 26, 2020

Time	Session
------	---------

08:30 - 09:30	Registrations
---------------	---------------

09:30 - 11:30	Keynote Forums
---------------	----------------

Group Photo

11:30 - 11:45	Network & Refreshment Break
---------------	-----------------------------

11:45 - 13:00	Plant Breeding   Agronomy   Agrochemical   Plant tissue culture
---------------	---

13:00 - 13:45	Lunch Break

Osaka positions 19th among the world's driving urban areas and assumes a critical job in the worldwide economy. The gross city results of Osaka in the monetary year 2004 were ¥21.3 trillion, an expansion of 1.2% over the earlier year. Being a standout amongst the most exceptional (as far as innovation) nations on the planet, Japan likewise offers an old standpoint to sightseers, particularly their religious locales. It's known for its forefront engineering, nightlife, and lavish road nourishment. The sixteenth-century shogunate Osaka Castle, which has experienced a few rebuilding efforts, is its principle recorded historic point. It's enclosed by a passage and stop with plum, peach and cherry-bloom trees. Sumiyoshi-Taisha is among Japan's most established Shinto holy places. Lovely old Buddhist sanctuaries which are situated up the mountains in Japan is one valid justification that you should visit and see them yourself. The National Museum of Art (NMAO) is an underground Japanese and worldwide craftsmanship gallery, lodging basically accumulations from the post-war time and routinely inviting transitory displays. Osaka Science Museum is in a five-storied working beside the National Museum of Art, with a planetarium and an OMNIMAX theater. Osaka Aquarium Kaiyukan, Shitenno-Ji Temple, The Tempozan Ferris Wheel, Twin Towers: Tsutenkaku and the Kobe Port Tower are the appealing spots in Osaka.
