Global Summit on Agriculture, Food Science and Technology

October 26-27, 2018 | Boston, Massachusetts, USA

Program at a Glance

Day 1

Morning Sessions	Reception	08.00-09.00	Day 1	
	Time	General Sessions		
	09.00-09.15	Inaugural Address		
	09.15-10:00	Keynote/Plenary Talk 1		
	10.00-10:45	Keynote/Plenary Talk 2		
	Panel Discussions/Group Photo 10:45-10:50			
	Coffee/Tea Break 10.50-11.10 (Networking)			
	11.10-12.10	Session on: Agriculture Engineering		
	12.10-13.10	Session on: Remote Sensing and Agri GIS		
	Lunch Break 13.10 -13.40			
	13.40-14.40	Session on: Agricultural Production Systems & Agribusiness		
	14.40-15.40	Session on: Food Waste Management		
15.40-16.10	Session on: Industrial Application of Food Technology			
Coffee/Tea Break 16.10-16.25 (Networking)				
16.25-18.00	Workshop			
Evening Sessions				

Day 2

Morning Sessions	Time	Sessions	Day 2	
	09.00-10.00	Session on: Resource-generating activities		
	10.00-10.40	Session on: Global warming & agriculture		
	Coffee/Tea Break 10.40-10.55 (Networking)			
	10.55-11.45	Session on: New crops for a new climate		
	11:45-12:35	Session on: Food Industry and Health Hazards		
	Lunch Break 12.35-13.25			
	13.25-14.25	Session on: Agricultural Biotechnology		
	14.25-15.25	Session on: Food, Public Health & Hygiene		
	Coffee/Tea Break 15:25-15:45 (Networking)			
15.45-16.30	Session on: Seed physiology			
16.30-17.30	Session on: Agronomy and Crop Science			
Poster Sessions				
Young Resercher Forum				

Awards and Closing Ceremony

Glimpses of Agriculture, Food Science and Technology conferences

Major Scientific Sessions

- Agriculture Engineering
- Agricultural Production Systems & Agribusiness
- Agriculture and Environment
- Agricultural Biotechnology
- Greenhouse & Horticulture
- Agronomy & Crop Science
- Agroforestry & Landscaping
- Agriculture and food Science Education
- Robotics in Food Science and Agriculture
- Food Engineering
- Food Marketing
- Food Science & Chemistry
- Food Science & Technology
- Food & Nutrients
- Food Nanotechnology
- Medicinal Food
- Fertilizer and Pesticide
- Food related Chronic Diseases
- Aquaculture
- Plant Science
- Soil Science

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Boston

Boston is one of the oldest cities in the United States, founded on the Shawmut Peninsula in 1630 by Puritan settlers from England.

Boston is sometimes called a “city of neighborhoods” because of the profusion of diverse subsections; the city government’s Office of Neighborhood Services has officially designated 23 neighborhoods. The city is the third most densely populated large U.S. city of over half a million residents.

A global city, Boston is placed among the top 30 most economically powerful cities in the world. Encompassing \$363 billion, the Greater Boston metropolitan area has the sixth-largest economy in the country and 12th-largest in the world. Boston is the largest broadcasting market in New England, with the radio market being the 9th largest in the United States. Boston has been a noted religious center from its earliest days.

Boston was also the first major city to host the annual First Night festival. Many of the crucial events of the American Revolution occurred in or near Boston. The Boston Film Festival is held annually in September and October. Also, on the weekend following Labor Day, the boutiques on Newbury Street close as over thirty art galleries spill out onto the street, providing access to their contents during Art Newbury Street. In October, the Boston Book Festival takes over Copley Square for a day attracting around 32,000 attendees. This free annual event promotes a culture of reading and ideas and enhances the vibrancy of our city with author keynotes, panels, live music, and activities for all ages.
