Venue & Hospitality

Bali, the famous Island of the Gods, this is one of the world's most popular island termini and one which progressively wins travel awards. With its varied landscape of hills and mountains, rocky coastlines and sandy beaches, luxurious rice terraces and barren volcanic hillsides all providing a attractive background to its colorful, deeply mystical and unique culture, risks a serious claim to be heaven on earth. It is famous for its highly developed arts, including traditional and modern dance, statue, painting, leather, metal working, and music. Bali is well-known for its colorful sunsets which arrive on signal at around 6pm every day of the year. Apart from the wealth of Bali magnetisms, from the spectacular beaches of Kuta, Nusa Dua and Seminyak, or Ubud's cultural heart and attractive adjoining rice fields, the northeastern coastal towns and Lombok Island are hidden gems till discovery.
