# City Attractions

Bangkok welcomes more visitors than any other city in the world and it doesn't take long to realise why. Bangkok is a city of contrasts with action at every turn. Marvel at the gleaming temples, catch a Tuk tuk along the bustling Chinatown or take a longtail boat through Floating Markets. Food is another Bangkok highlight, from local dishes served at humble street stalls to haute cuisine at romantic rooftop restaurants. Luxury malls compete with a sea of boutiques and markets, where you can treat yourself without overspending. Extravagant Luxury hotels and surprisingly cheap serviced apartments welcome you with the same famed Thai hospitality. And no visit to Bangkok would be complete without a glimpse of its famous nightlife. There are a number of Bangkok tours at your disposal One of the most notable being the Apsara Dinner Cruise. The Apsara Dinner Cruise is a perfect way for friends and family to enjoy beautiful sunset views of the city from the Chao Phraya River while chowing down on the some of the most delicious food available in the metropolis. Each night, temples along the river are glowing with thousands of lights, making for an especially romantic experience. Bangkok is known for its vibrant nightlife. After a romantic dinner cuisine, take your significant other to Royal City Avenue. Also known as RCA, Royal City Avenue is the absolute center of the nightlife scene in Bangkok. Because there are a wide variety of attractions in Bangkok, a trip around southeast Asia would not be complete without a stop in this wonderful city. The amount of places you can visit and local spots that offer experiences of a lifetime will make you want to come back to Bangkok again and again.
