City Attractions

Venue :

Budapest, Hungary

Budapest is the capital and the most populous city of Hungary, and the ninth-largest city in the European Union by population within city limits. Budapest is both a city and county, and forms the centre of the Budapest metropolitan area.

Budapest is an Alpha-global city with strengths in commerce, finance, media, art, fashion, research, technology, education, and entertainment. It is Hungary's financial centre and was ranked as the second fastest-developing urban economy in Europe. Budapest is the headquarters of the European Institute of Innovation and Technology, the European Police College and the first foreign office of the China Investment Promotion Agency.

Among Budapest's important museums and cultural institutions is the Museum of Fine Arts. Further famous cultural institutions are the Hungarian National Museum, House of Terror, Franz Liszt Academy of Music, Hungarian State Opera House. The central area of the city along the Danube River is classified as a UNESCO World Heritage Site and has several notable monuments, including the Hungarian Parliament, Buda Castle, Fishermans Bastion, Gresham Palace and the Liberty Statue.
