## Venue

Tokyo, Japan

## Important Dates

Abstract Submission Opens: September 24, 2018

Registration Opens: September 24, 2018

Early Bird Registration: October 29, 2018

Mid Date Registration: November 26, 2018

On Spot Registration: August 16, 2019

## Accommodation

A large number of rooms have been reserved. Discounted room rates for Analytika 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field Mass Spectrometry.

## About Tokyo

Tokyo, the busy capital of Japan, blends the taste of both ultramodern and the traditional ethics picking the glaze from neon-lit skyscrapers to historic temples. Tokyo has also crowned the title as the world's most affluent city to live in due to its easiest ways of rail and subway networks. The cultural casting of Tokyo is famous for its numerous museums; theatres; festivals; internationally noted cuisines; and professional sports clubs, including baseball, football, along with traditional Japanese crave Sumo Wrestling. The focused attraction of Tokyo's Marunouchi district is the Imperial Palace known for its beautiful 17<sup>th</sup>-century parks guarded by walls and moats and which is still in use by the Imperial family. This Palace stands on the site where the Feudal Lord Ota Dokan built the first fortress, in 1457 and is the primary residence for the Emperor of Japan and it is located at the focal point of Tokyo and built on the site of old Edo Castle.
