Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Antibiotics, Antimicrobials & Antibiotic Resistance.

About Tokyo, Japan

Tokyo is Japan's capital and the world's most crowded city. It is likewise one of Japan's 47 prefectures, comprising of 23 focal city wards and different urban communities, towns, and towns west of the downtown area. The islands Izu and Ogasawara are most beautiful parts of Tokyo. Tokyo offers an apparently boundless decision of shopping, amusement, culture, and feasting to its guests. The city's history can be acknowledged in regions, for example, Asakusa, and in numerous superb exhibition halls, memorable sanctuaries and greenhouses. Despite regular discernment, Tokyo likewise offers various alluring green spaces in the downtown area and inside generally short prepare rides at its edges. Tokyo has more than 13 million occupants to engage, and a great deal going on. Begin your morning off with breakfast sushi at the world-well-known Tsukiji Fish Market at that point let yourself become mixed up in Japan's tremendous and intriguing history at the Tokyo National Museum or the Edo-Tokyo Museum. Take an hour or two and loosen up in the verdant patio nurseries (ideally with an excursion) of the Imperial Palace or the Shinjuku Gyoen National Garden. When you're prepared to go up against Tokyo's mammoth shopping scene, make a beeline for Ginza, the waterfront Odaiba or the anime-accommodating Akihabara for everything tech.
