Invitation...

Dear Friends and Colleagues

It is our great pleasure to welcome you to the **International Conference on Applied Psychology, Psychiatry and Mental Health** scheduled **November 26-27, 2018** in **Los Angeles, California, USA**.

Applied Psychology, the utilization of strategies and discoveries of logical brain science to take care of functional issues of human and creature conduct and experience. Psychiatry is the branch of solution concentrated on the determination, treatment and avoidance of mental, enthusiastic and behavioural disarranges. Mental Health incorporates our enthusiastic, mental, and social prosperity. It influences how we think, feel, and act. The WHO stresses that mental health "is not just the absence of mental disorder."

Applied psychology congress 2018 aims to bring together leading professors, scientists, psychologists, psychiatrists, mental health professionals, psychotherapists, counselors, epidemiologists, family physicians, nutritionists, pediatricians, health educators, social workers and physicians (including medical students and residents), and a wide variety of health professionals for thought-provoking Keynote speeches, Plenary talks, Oral and Poster presentations, International Workshops and Exhibition

Applied Psychology Congress 2018 is perceived globally as an important calendar event for Psychiatrists, psychologists, mental health professionals Professionals. The meeting will give an International stage to share new research, experiences and evidence-based practices with Keynotes and Plenary talks and concurrent sessions with Special and Additional sessions, Poster and E-Poster opportunities along with International Workshops and Symposiums for meaningful networking and engagement.

During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Life is full of give and take. Make it count in your professional life. We look forward to personally welcoming you to Los Angeles, USA.

Sincerely,
Applied Psychology Congress 2018 Committee
