About Hong Kong

Hong Kong has converted from a little angling town in the 1800s into a dynamic and exciting 21st century cosmopolitan city. It is a clamouring seaside city loaded with noteworthy elevated structures, and a combination of eastern and western societies. It gladly declares itself to be 'Asia's World City'.

Hong Kong is something more than gatherings, nourishment and shopping. It's geology and special mix of East and West introduces a smorgasbord of Chinese conventions and traditions, amusement parks, neighbourhood food and verdant wide open to excite the guest for a considerable length of time.

It was viewed as the world's best goal for relaxation guests and gatherings in 2012. Hong Kong was voted the "Best FIT Destination of the Year" in the China Travel and Meeting Industry Awards 2012 sorted out by travel magazine Travel Weekly. It was additionally named the "Best City for MICE Events" in the 2012 Industry Awards composed by CEI Asia Pacific magazine.

Because of the invaluable topographical area, Hong Kong fills in as a critical transport centre point between universal urban communities and districts with real urban communities in Mainland China. Nationals of the US, Europe, Australia, Canada and New Zealand don't require a visa to enter Hong Kong for remains of 90 days, 180 days for UK nationals.
