

2nd International Conference on
Bio-Pharmaceuticals

December 02-03, 2020 | Auckland, New Zealand

*Theme: “Present Challenges and Futuristic Scope of
Bio-Pharmaceuticals”*

Invitation...

Dear Colleagues,

2nd International Conference on Bio-Pharmaceuticals (Asia Bio 2020) extends its welcome to you during **December 02-03, 2020** at **Auckland, New Zealand**. with a theme "**Present Challenges and Futuristic Scope of Bio-Pharmaceuticals**". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **Asia Bio 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Bio-Pharmaceuticals & Pharmaceutical Sciences.

Why to Attend???

Asia Bio 2020 may be a world stage for exhibiting analysis regarding designation, hindrance and management and exchanging concepts regarding it and through this fashion, adds to the unfold of data in Bio-Pharmaceuticals for the advantage of every learned community and business.. It also paves way for making a good relationship with the Bio-Pharma associates through the B2B meetings and develops better business opportunities.

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Bio-Pharmaceuticals & Pharmaceutical Sciences are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Current Trends in Pharmacology
- Bio-Pharmaceutical Sciences
- Biomarkers and Biosimilars in Pharmaceutical Development
- Pharmaceutical Sciences
- Pharma Analytical Techniques and Instrumentation
- GMP, GCP and Quality control
- Pharmaceutical Regulatory Affairs
- Clinical and Dispensing Pharmacy
- Pharmaceutical Industry
- Industrial Pharmacy
- Pharmaceutical Nanotechnology
- Medicinal Chemistry and Drug Discovery
- Pharmacognosy and Phytochemistry
- Pharmaceutics and Novel Drug Delivery Systems
- Pharmaceutical Packaging
- Pharmacovigilance and Cosmetovigilance
- Radiopharmaceuticals
- Pharmacy Practice

Asia Bio 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
 - ☞ American Journal of Pharmacology and Pharmacotherapeutics
 - ☞ Journal of Clinical Trials
 - ☞ Clinical Pharmacology & Biopharmaceutics

Program at Glance

December 02, 2020

Time	Session
------	---------

08:30 - 09:30	Registrations
---------------	---------------

09:30 -11:30	Keynote Forums
--------------	----------------

Group Photo

11:30 -11:45	Network & Refreshment Break
--------------	-----------------------------

11:45 -13:00	Pharmaceutical Sciences Bio-Pharmaceutical Sciences Current Trends in Pharmacology

Auckland is a city in the North Island of New Zealand. The most crowded urban region in the nation, Auckland has an urban populace of around 1,570,100 (June 2018). It is situated in the Auckland District the zone represented by Auckland Chamber which incorporates peripheral rustic territories and the islands of the Hauraki Inlet, bringing about a complete populace of 1,618,400. Auckland is a different, multicultural and cosmopolitan city, home to the biggest Polynesian populace on the planet. A Māori-language name for Auckland is or Tamaki Makaurau, which means in reference to the attractive quality of its ripe land at the center point of conduits every which way. The College of Auckland, established in 1883, is the biggest college in New Zealand. The city's shifted social establishments, for example, the Auckland War Commemoration Exhibition hall, the Gallery of Transport and Innovation, and Auckland Craftsmanship Display Toi o Tamaki and national noteworthy destinations, celebrations, performing expressions, and sports exercises are critical vacation spots. Engineering milestones incorporate the Harbor Extension, the Town Corridor, and the Sky Tower. The city is served by Auckland Air terminal, which handles around one million worldwide travelers a month. Notwithstanding being one of the most costly urban communities in the world, Auckland is perceived as one of the world's most liveable urban areas, positioned third in the 2019 Mercer Nature of Living Study.
