Conference Sessions:

Chemical Engineering conferences welcome you to attend the **7th Asia Pacific Congress on chemical and Biochemical Engineering** during **August 12-13, 2019 Auckland New Zealand**. We cordially invite all the interested participants in sharing their knowledge, research and gaining the information in the arena of Chemical and its allied areas.

Conferences Series LLC Organizes 1000 Conferences Every Year across the USA, Europe & Asia with support from 1000 more scientific societies and Publishes 500 Open access journals which contain over 30000 eminent personalities, reputed scientists as editorial board members.

- Recent development in Catalysis
- Advanced Surface Chemistry
- Trends in Biochemical Engineering
- Reservoir Engineering
- New approaches to mass transfer
- Development in Food Technology
- Major challenges of Industrial Separation Techniques
- Recent Advances in Chemical Technology
- Major challenges of Chemical Reaction Engineering
- Agrochemicals
- Heat Transfer Research Opportunities
- Modern Trends in Thermodynamics
- Modeling and Simulation
- Water Science and Technology Advancement
- Recent Development in Hydrogen Production

Important Dates:

Abstract submission opens: April 24, 2019

Registration opens: April 24, 2019

Early bird registration: April 28, 2019

Mid registration: July 01 2019

On spot registration: August 12, 2019

Speaker Slots Available

NOTE: Program Schedule is subject to change with final allotment of the speaker slots
