**Conference Concludes**
Major Scientific Sessions

- Nano Science: Latest Research, Innovation and Technology
- Advanced Nano Materials and Nano Particles
- Materials Science and Nanotechnology
- Molecular Nanotechnology
- Graphene & 2D Materials
- Applications of Nanotechnology in Life Sciences & Health Care
- Nano medicine and Nano Biotechnology
- Nanotechnology in Neuroscience and Neuro engineering
- Nanotechnology in Tissue Engineering
- Nanotechnology in Energy and Environment
- Nanotechnology in Agriculture, Water treatment and Food Industry
- Nano Electronics and Microsystems
- Nanostructures, Nanodevices and Nano sensors
- Nano Physics
- Nano robotics, Assembly and Automation
- Nanotech Risk and Safety

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student’s enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
