Accommodation

A large number of rooms have been reserved. Discounted room rates for Asia Pacific Oncologists 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Oncology.

About Singapore

SINGAPORE, known as the “lion city” becomes a favourite destination because it is a global city and is a densely populated island with tropical flora, parks and gardens. Singapore is a global commerce, finance and transport hub.

Singapore is a unique ethnic tapestry affords visitors a wide array of sightseeing and culinary opportunities from which to choose. A full calendar of traditional festivals and holidays celebrated throughout the year adds to its cultural appeal. In addition, Singapore offers luxury hotels, delectable cuisine and great shopping.

Singapore is considered as an important centre for higher education, healthcare, well reputed and prestigious colleges and universities. Singapore conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide. The conferences taking part here would promote a variety of scientific ideas among contenders belonging to diverse areas of science and technology.

Apart from this, Singapore has been set aside for parks and natural reserves. The network of natural reserves, parks, park connectors, natural ways, tree-lined roads and other natural areas have enhanced the sense of green space in the city which will keep you busy for weeks. Singapore has a tropical rainforest climate with no distinctive seasons, uniform temperature, pressure, high humidity and abundant rainfall. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, Pulau Hantu famous for its rich coral reefs and Peranakan Museum are some of the points of interest in Singapore. A splendid location, life expectancy, quality of life, personal safety and housing that is unsurpassed for its livability makes Singapore a city to visit and remember.
