Osaka positions 19th among the world's driving urban regions and expect a basic activity in the overall economy. The gross city consequence of Osaka in the money related year 2004 was ¥21.3 trillion, an extension of 1.2% over the previous year. It is a cosmopolitan city close to the old capital, Kyoto, most popular for its dynamic nourishment and drinking society, and broadly cordial individuals. It is Japan's subsequent city, and superficially probably won't appear to be an unexpected goal. Being the capital, Osaka prefecture and the third-biggest city in Japan, with a population of 2.7 million, it is situated in the Kansai area of the fundamental island of Honshū, at the mouth of the Yodo River on Osaka Bay. Osaka is known as the Manchester of Japan. Being a champion among the most outstanding (to the extent development) countries on the planet, Japan in like manner offers an old outlook to tourists, especially their strict districts. It's known for its front line building, nightlife, and extravagant street sustenance. The 16th century shogunate Osaka Castle, which has encountered a couple of modifying endeavors, is its standard recorded noteworthy point. It's encased by an entry and stop with plum, peach and cherry-sprout trees. Sumiyoshi-Taisha is among Japan's most settled Shinto blessed spots.
