

# ASTHMA HEALTH WEBINAR 2020

## SCIENTIFIC PROGRAM

### 3<sup>rd</sup> International Conference on ASTHMA AND ALLERGY

22 July | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
