Dear Colleagues,

Conference Series llc LTD., is delighted to welcome you to Yokohama, Japan for the Prestigious 7th **International Conference and Expo on Automobile Engineering and Design**. Automobile Engineering 2019 will focus on “**Technological Developments and Trends In Automobile Engineering**”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Yokohama, Japan.

With Regards,

Automobile Engineering 2019

Operating Committee, Conference Series LLC Conferences

Editorial Board Members of Supporting Journals:

Hakan kaleli

Yıldız Technical University, Turkey

Janus Juul Rasmussen

CEO and Founder of Valcon Design A/S Denmark

Gareth Davies

University of South Wales UK

Akin Oktav

Bogazici University Turkey

Francisco Trinidad

Exide Technologies Spain

Koungsu Yi

Seoul National University South Korea

Jared Moore

Meridian Energy Policy USA

Dai Vo Quoc

RMIT University, Australia

Philipp Sandner

Frankfurt School Blockchain Center, Germany

Shun Hattori

Doshisha University, Japan

Ahmet Serdar

Önal Beyçelik Gestamp, Turkey

Khaled R Asfar

JUST University, Jordan

Kadir Aydin

Çukurova University, Turkey

Program Announcement

12+ Interactive Sessions

Venue

Yokohama, Japan

Important Dates

Abstract submission opens: October 15, 2018

Registration opens: November 01, 2018

Early bird registration: December 12, 2018

Mid Date Registration: February 12, 2019

On spot registration: July 12, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Automobile Engineering 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Automobile Engineering.

About Yokohama

Yokohama, a Japanese city south of Tokyo, was one of the first Japanese ports opened to foreign trade, in 1859. It contains a large Chinatown with hundreds of Chinese restaurants and shops. It's also known for Sankei-en Garden, a botanical park containing preserved Japanese residences from different eras, and the seaside Minato Mirai district, site of the 296m Landmark Tower. Yokohama is the first harbor city introduced to the world as the entrance to Japan. Since the time its port was opened, Yokohama has been vigorously acquiring new cultures and information from foreign countries and introducing to Japan our country's first-time-ever things from food to a wide range of cultures, which entitles Yokohama as the birthplace of Japan's modern culture. The Yokohama, referred to as "Hamakko" in Japanese, has been very cheerful at enjoying life and willing to adopt whatever is good. Such a tradition of the "Hamakkos" cultivated long ago has been incorporated into the present fashionable and sophisticated streetscape. Yokohama is located in the centre of Japan, along the coastline of Japan's Pacific Ocean, and one of the 15 Japanese Government-designated cities.
