Major Scientific Sessions

- Generic Drug Marketing strategy
- Drug Discovery & Designing
- Biobetters Vs Biosimilars
- Generic Drugs
- Building Biobetters: The regulatory landscape
- The structure of proteins
- Biosimilar Development: Principles and Pitfalls
- Opportunities & Challenges from a Market
- Regulatory Essentials
- Regulatory Affairs and IPR
- Regulatory Strategy Forum for Medical Devices
- Regional Regulatory Update Of US &EU
- Regional Regulatory Update of GCC, ASIA and AFRICA

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- Judges will even evaluate the student’s enthusiasm towards their study, interest and knowledge in the area of their research.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
- Apart from the judging time you may also be present at the poster to share your research with interested delegates.

Young Researchers Forum

- Present your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
