# Tourist Attractions Abu Dhabi UAE

Abu Dhabi is located in the Southwest part of the United Arab Emirates along the southern coast of Persian Gulf. It is also the capital of United Arab Emirates. It is deeply rooted in tradition. It's the richest of all the Emirates and holds nearly 10% of the world's known oil supply. This country is full of archaeological evidence that is full of civilisations. Abu Dhabi worked in the pearl business and traded with others. As the pearl trade declined, interest grew in oil possibilities of the region.

Famous Attractions in Abu Dhabi include: Sheikh Zayed Mosque, Ferrari world Abu Dhabi, Qasr al-Hosn, Yas Marina Circuit, Aldar headquarters building, Dalma Mall, Emirates National Auto Museum, Formula Rossa, Capital Gate, and Khalifa Park. The city features large gardens and parks, green boulevards lining all the streets and roads, sophisticated high-rise buildings, international luxury hotel chains and opulent shopping malls. Abu Dhabi International Airport is the UAE's second busiest airport. Abu Dhabi is a compulsive shopper's dream. There are several malls, most of which have the same stores as other malls.
