

Scientific Program **2021**

12th International Conference and Exhibition on Biomarkers and Clinical Research Congress

October 29-30, 2021 Vancouver, Canada

Scientific Program

12th International Conference and Exhibition on **Annual Biomarkers and Clinical Research Congress** October 29-30, 2021 Vancouver, Canada

Program @ Glance

DAY 1 October 29, 2021

| | |
|--|---|
| Opening Ceremony | |
| Plenary & Keynote Speeches (09:00-11:30) | |
| Networking and Refreshments Break | |
| Group Photo | |
| Speaker Session I (11:30-13:00) | Clinical Research & Biomarkers Biomarkers in Diagnosis: Challenges and Approaches Biomarkers in Drug discovery and development Biomarkers for Cancer Diagnosis |
| | Panel Discussion |
| Lunch Break | |
| Speaker Session II (13:00-16:00) | Discovery of new biomarkers/validation/technologies Biomarkers of Cardiovascular disorders Biomarkers of Disorders of the Nervous System Biomarkers in Immune-Oncology Biomarkers for Early Diagnosis and Prognosis |
| | Panel Discussion |
| Networking and Refreshments Break | |
| Speaker Session III (16:00-18:00) | Biomarkers for non-cancerous diseases Biomarkers in Disease Treatment Biomarkers based on epidemiological investigations Biomarkers & Next-Generation Sequencing |
| | Panel Discussion |
| Day 1 Concludes... | |

DAY 2 October 30, 2021

| | |
|--|---|
| Opening Ceremony | |
| Plenary & Keynote Speeches (09:00-11:30) | |
| Networking and Refreshments Break | |
| Speaker Session I (11:30-13:00) | Genomic Biomarkers in Clinical Development Biomarkers: Validation & Verification Imaging Technologies and Diagnostic tests of Biomarkers Clinical and Biomedical Engineering |
| | Panel Discussion |
| Lunch Break | |
| Speaker Session II (13:00-16:00) | Biomarkers & Next-Generation Sequencing Biomarkers for non-cancerous diseases Biomarkers in Disease Treatment Biomarkers based on epidemiological investigations |
| | Panel Discussion |
| Networking and Refreshments Break | |
| Speaker Session III (16:00-18:00) | Poster Presentations |
| | Best Poster Award Distribution |
| Day 2 Concludes... | |

PASTAFFILIATES

Imran Tariq

Philipps-Universität Marburg, Germany

Yuri L. Lyubchenko

University of Nebraska Medical Center, USA

Vladimir P. Torchilin

Northeastern University, USA

Thomas J. Webster

Northeastern University, USA

Oara Neumann

Rice University, USA

Arend L. Mapanawang

Stikes Halmahera, Indonesia

Hendry Izaac Elim

Pattimura University, Indonesia

Rashid Mahmood

SURGE Laboratories Private Limited, Pakistan

Raymond C. Jagessar

University of Guyana, Guyana

Yucel Baspinar

Ege University, Turkey

Jigisha P Badheka

PDU Medical College, India

Fremiot J. Mascarenhas

Bhavnagar Medical Association, India

Gershon Golomb

The Hebrew University of Jerusalem, Israel

Maikel kiling

Stikes Halmahera, Indonesia

Selvie S. Ticoalu

AKBID Makariwo, Indonesia

Muhammad Jehangir

NovaMed Pharmaceuticals (Pvt) Ltd., Pakistan

Maria Rantung

Stikes Halmahera, Indonesia

Priti Doshi

Micro labs Ltd., India

Yashwant Pathak

University of South Florida, USA

Branislav Vlahovic

North Carolina Central University, USA

Xudong Huang

Massachusetts General Hospital, USA

P R Raghavan

Nanorx Inc., USA

Istvan Toth

The University of Queensland, Australia

Bonex Wakufwa Mwakikunga

DST/CSIR National Centre for Nano-Structured Materials, South Africa

Long-ping Wen

South China University of Technology, China

Shuhua Bai

Husson University, USA

Imran Tariq

Philipps-Universität Marburg, Germany

Muhammad Yasir Ali

Philipps University of Marburg, Germany

Nicky Thomas

University of South Australia, Australia

Eduviges Bustos Araya

University of Barcelona, Spain

Alberto Coelho

University of Santiago de Compostela, Spain

Jordi Arbiol

Catalan Institute of Nanoscience and Nanotechnology, Spain

Dae Joon Kang

Sungkyunkwan University, South Korea
