

Scientific Program

International Conference on

Biomarkers and Clinical Research

July 15-16, 2019 Abu Dhabi, UAE

Hosting Organization: Conferenceseries Ilc LTD

47 Churchfield Road, London, W3 6AY, UK

Tel: +1-201-380-5561, Toll No: +44-2088190774

Email: biomarkers@memeetings.net

Day 1 July 15, 2019

Registrations

Hall

Opening Ceremony

Keynote Forum

Title: To be updated soon

Miguel Guillermo Garber, Spanish Society of Regenerative Medicine and Cell Therapy (SEMERETEC), Spain

Keynote slots are available

Networking & Refreshments

Scientific Sessions: Biomarkers | Cardiac Biomarkers | Neurological Biomarkers | Immunological Biomarkers | Biomarkers in Oncology

Title: Correlation of overexpression of miRNA 182 and miRNA18a with survival in locally advanced triple negative breast cancer: An observational study of 50 patients from tertiary care centre in India

Akhil Jain, Fortis (IOSPL) Hospital, India

Title: To be updates soon

Salah A Mohamed, UKSH-Campus Luebeck, Germany

Title: Circulating Bio-markers as a non-invasive diagnostic test to predict loss of pregnancy

Kriti Jain, Sir Ganga Ram Hospital, New Delhi, India

Lunch Break

Title: To be updates soon

V S Kanthikiran Varanasi, Reddy Laboratories Ltd, India

Title: To be updates soon

Christine Gasperetti, University of Pennsylvania Health System, USA

Networking & Refreshments

Video Presentation

Title: Lung is life - If protected – It protects all other organs of the body

Manikonda Prakash Rao, International and Constitutional Laws, Osmania University, India

Panel Discussions

Day 2 July 16, 2019

Keynote Forum

10:00-10:45

Title: To be upadated Soon

Yoshiaki Omura, New York Medical College, USA

Keynote slots are available

Networking & Refreshments

Scientific Sessions: Biomarkers in Pharmacology | Genomic Biomarkers | Biomarkers in Pharmacology | Biomarkers in Drug Discovery & Development | Clinical Research | Clinical Trials

Title: To be upadated Soon

Fahad Ibnshamsah, King Fahad Specialist Hospital Dammam, Saudi Arabia

Title: Survivin and caspase-3 as a diagnostic and predictive biomarkers of recurrence for urinary bladder carcinoma after turbt

Vivian GD Rouston, Ministry of Health, Egypt

Title: Correlation of overexpression of miRNA 182 and miRNA18a with survival in locally advanced triple negative breast cancer: An observational study of 50 patients from tertiary care centre in India

Rajat Bajaj, Fortis Hospital, India

Lunch Break

14:00-14:30

Title: To be upadated Soon

Rami Naif, Jordan

14:30-15:00

Title: To be upadated Soon

Sangeeta Choudhury, Sir Ganga Ram Hospital, India

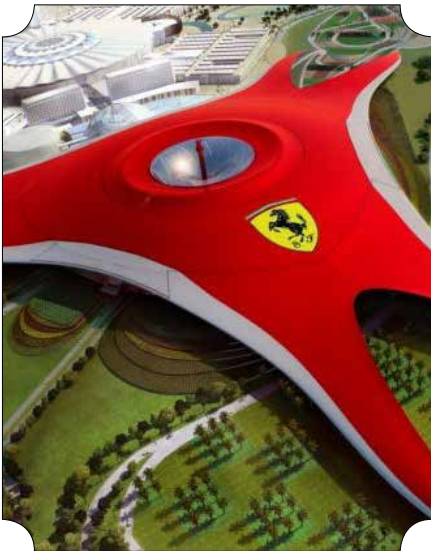

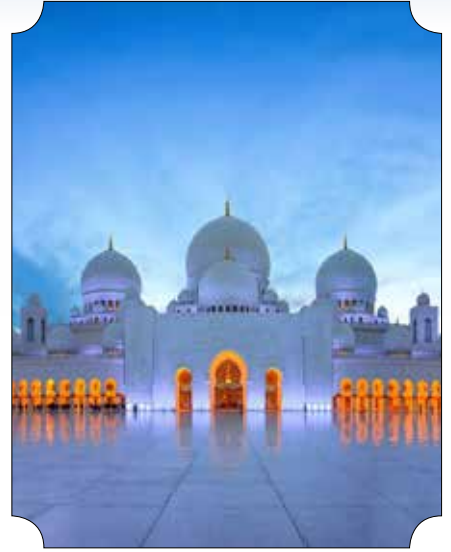

Networking & Refreshments

Speakers slots are available

POSTER EVALUATION

Panel Discussion

Closing Cermony

CITY ATTRACTIONS

REMINISCENCE OF 2018
