Dear Colleagues,

Conference Series LLC ltd welcomes you to attend the *International Conference on Pharmaceutical and Biomedical Engineering* which is going to be held in *Barcelona, Spain* during *September 21-22, 2020*.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of *Pharmaceutical and Biomedical Engineering*.

*BIOMEDICAL 2020* anticipate more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

Biomedical 2020 revolves around the theme “*Recent Advancement in Pharmaceutical and Biomedical Engineering.*”

With Regards,  
*Biomedical 2020 Operating Committee*  
Conference Series LLC Ltd Conferences

# Program Announcement

## *Accommodation*

*A large number of rooms have been reserved. Discounted room rates for Biomedical 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.*

## *Exhibition and Sponsorship*

*An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Pharmaceutical and Biomedical Engineering*

## *About Barcelona*

*Barcelona is the capital city of the independent community of Catalonia in Spain and Spain's most populated city, with a populace of 1.6 million inside its regulatory limits. Its urban range amplifies past the authoritative city limits with a populace of around 4.7 million individuals, being the seventh-most crowded urban region within the European Union after Paris, London, Madrid, the Ruhr range, Berlin and Milan. It is the biggest city on the Mediterranean Ocean, found on the coast between the mouths of the waterways Llobregat and Besòs, and bounded to the west by the Serra de Collserola mountain extend, the tallest crest of which is 512 meters (1,680 ft) high.*

## *Abstract Submission*
