Dear Colleagues,

Conference Series llc LTD., is delighted to welcome you to Perth, Australia for the Prestigious 9th World congress on Biopolymers and polymer chemistry. Biopolymers Summit 2019 will focus on "Present Perspective and Future Prospects of Polymer Science". We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Perth, Australia.

With Regards,

Biopolymers Summit 2019

Important Dates

Abstract submission opens: June 15, 2019

Registration opens: June 15, 2019

Early bird registration: October 15, 2019

On spot registration: May 13, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Biopolymers Summit 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Biopolymers and polymer chemistry.

About Perth

Explore the one of the clean and beautiful city of Western Australia, Perth is the capital and largest city of Western Australia. It is also Australia's most laidback and most livable city with some of the country's best beaches. Here you will find a cornucopia of culture, pubs, clubs and restaurants. For commanding views of the city, head to the 1,000-acre King's Park and Botanic Garden atop Mt. Eliza. Other points of interest include Perth Zoo, Swan Bell Tower, and Adventure World, Perth's premier amusement park. Those seeking a close encounter with the local marine life should head straight to Shoalwater Islands Marine Park, where you can swim with wild bottlenose dolphins and see a colony of Little penguins, the smallest species of penguin in the world.
