Our Programme

Our programme aims to bridge the gap between basic and material sciences, with an emphasis on large-scale approaches and innovative technologies in the fields of biomaterials, polymer sciences and polymer industries.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and engineers from academia and industry

5+ Keynote Sessions

10+ Scientific Sessions

Venue & Hospitality

Romania is a south eastern European country. Bucharest is the main city and capital of Romania. It enjoys great natural beauty and diversity and a rich cultural heritage. Romania enchants visitors with its scenic mountain landscapes and unspoiled countryside areas, and also with its historic cities and its busy capital.

Romania is a country which is fine for all fields such as arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport.

our DELEGATE is your CLIENT

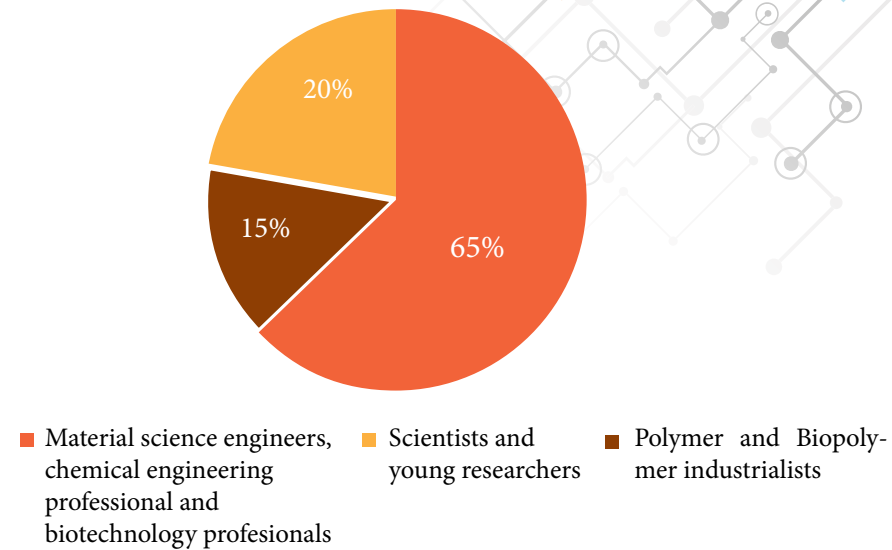

Exhibitors and sponsors have the opportunity for face-to-face networking with leading researchers, engineers and increase product awareness and develop collaborations with an international audience.

In 2016-2017, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain
