

**BiopolySci  
2018**

**November 19-20, 2018**

**Bucharest, Romania**

9<sup>th</sup> international conference on  
**Biopolymers and Polymer  
Sciences**

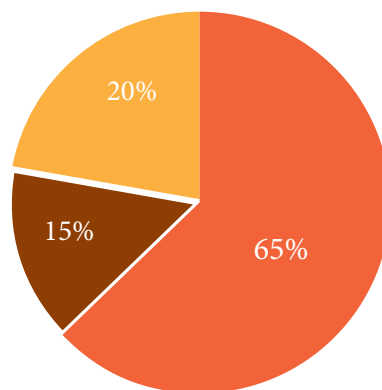

An Infinite Supply of New Age Materials for a Green Sustainable Future

[biopolymers.materialsconferences.com](http://biopolymers.materialsconferences.com)

# Who attends?

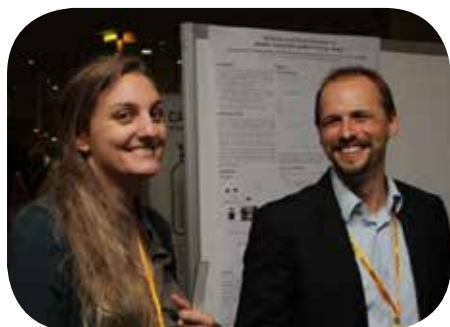

- Eminent researchers of biopolymers and polymer science
- Professors of Chemical engineering Research
- Junior/Senior research fellows of biomaterials, biotechnology, material science and polymer technology
- CEO's and other representatives of biopolymers, biomedical and polymer industries
- Members of different associations of Biopolymers and polymer sciences
- Biopolymer, Polymer Science, Material Science Doctorates
- Material science engineers

## Delegate Participation Ratio

- Material science engineers, chemical engineering professional and biotechnology professionals
- Scientists and young researchers
- Polymer and Biopolymer industrialists
