1301<sup>st</sup> Conference

Proceedings of  
10<sup>th</sup> International Conference and Exhibition on

# BIOLOGICS AND BIOSIMILARS

October 16-17, 2017 San Francisco, USA

## Exhibitors

conference series LLC Ltd 09:30-09:40

# Opening Ceremony

## Keynote Forum

09:40-09:50 Introduction  
09:50-10:40 Title: **Fingerprint-like similarity: Making the connection between product characteristics and clinical outcomes**  
Peter Bernhardt, Momenta Pharmaceuticals, USA

### Panel Discussion

Networking & Refreshment Break 10:40-11:00 @ Tiburan/Sausalito Foyer

Group Photo 11:00-11:10

11:10-12:00 Title: **Interchangeability, switch ability and substitution of biosimilars drug products**  
Laszlo Endrenyi, University of Toronto, Canada

Sessions: **Globalization of Biosimilars | Clinical Development Of Biosimilars | Regulatory Approach for Biosimilars**

Session Chair: **Laszlo Endrenyi, University of Toronto, Canada**

### Session Introduction

12:00-12:30 Title: **Evaluation of biosimilar Bevacizumab in the treatment of Indian patients with non-small-cell lung cancer**  
Deven V Parmar, Cadila Healthcare Limited, India  
12:30-13:00 Title: **The commercial landscape for biosimilars: Planning in an uncertain environment**  
Arthur G Cook, ZS Associates, USA

### Panel Discussion

Lunch Break 13:00-14:00 @ Red Wood Sequoia

14:00-14:30 Title: **An overexploitation approach for cell culture based modular bioprocessing**  
Ravindra Patel, OmniBRx Biotechnologies, India  
14:30-15:00 Title: **Global Status of Biosimilars & Prospects in Asia**  
Md Abu Zafor Sadek, University of Dhaka, Bangladesh  
15:00-15:30 Title: **Receptor occupancy in flow cytometry: A key PK/PD option in biologics clinical studies**  
Anka G Ehrhardt, Bristol-Myers Squibb Co., USA

### Panel Discussion

Networking & Refreshment Break 15:30-15:50 @ Tiburan/Sausalito Foyer

**Day 2    October 17, 2017**  
**Conference Hall- Sierra**

### **Keynote Forum**

- 10:00-10:50 Title: Regulatory compliance & notified bodies inspection readiness**  
Mayra Liz Guzman-Kaslow, GK Regulatory Compliance & Engineering Consulting Corporation, USA
- 10:50-11:30 Title: Medicines distributions and financing alternatives**  
Abdeen M Omer, Ministry of Health and Social Welfare, Sudan

### **Panel Discussion**

**Networking & Refreshment Break 11:30-11:50 @ Tiburan/Sausalito Foyer**

**Sessions: Emerging Biosimilars in Therapeutics | Biosimilars Analytical Strategies | Regulatory Approach for Biosimilars**

**Session Chair: Mayra Liz Guzman-Kaslow, GK Regulatory Compliance & Engineering Consulting Corporation, USA**

### **Session Introduction**

- 11:50-12:20 Title: Biosimilars: Challenges in safety and risk management**  
Asif Mahmood, Pfizer, USA
- 12:20-12:50 Title: Bioassay-directed isolation of hypotensive alkaloids from Holarrhena pubescens**  
K Aftab, Isra University Karachi, Pakistan

### **Panel Discussion**

**Lunch Break 12:50-14:00 @ Red Wood Sequoia**

- 14:00-14:30 Title: Heterogeneity of monoclonal antibody and challenges in developing biosimilar of it**  
Sunit Maity, Zumutor, India

### **Panel Discussion**

**Networking & Refreshment Break 14:30-15:20 @ Tiburan/Sausalito Foyer**

**Posters Presentations 15:20-16:20**

- BS 01 Title: New platform of bio-based reactions for simple and rapid purification of biopharmaceuticals**  
Takuya Kubo, Kyoto University, Japan
- BS 02 Title: High-Throughput Multicomponent Metabolite Profiling by LC-MS/MS for Advance Cell Culture Media Development and Process Monitoring of Biopharmaceutical Products**  
Gurmil Gendeh, United States
- BS 03 Title: Molecular cloning involving AAV-CXCL 12 gene**  
Kripa Raj Ahuja, University of North Carolina, United States

**Business to Business Meetings (B2B)**

**Extended Networking Session and Exhibitions**

### **Panel Discussion**

**Award Cermony & Closing Ceremony**
