

33<sup>rd</sup> International Conference on  
**Brain Science and  
Cognitive Research**

June 01-02, 2020 | Sydney, Australia

*Theme: “Current trends in Brain Science and Cognitive Research”*

# Invitation...

Dear Colleagues,

**33<sup>rd</sup> International Conference on Brain Science and Cognitive Research (Brain Science 2020)** extends its welcome to you during **June 01-02, 2020** at **Sydney, Australia**. with a theme "**Current trends in Brain Science and Cognitive Research**". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **Brain Science 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Surgery.

## Why to Attend???

Brain Science 2020 goal is to provide participants continuing dental education, propose novel research techniques, improve the skills and expertise in the areas of Dental Health,  Care, Public Health Dentistry, Endodontics and Orthodontics with its well-designed scientific program and quality lectures. It also paves way for making a good relationship with the dental associates through the B2B meetings and develop better business opportunities.

# Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Cardiology and Healthcare are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Brain Science and Cognitive Psychology
- Neurobiology of Brain Disorders
- Cognitive Neuroscience and Stroke
- Neuro-Nanotechnology
- Neuro-Psychiatry and Mental health
- Stress and Neurodegenerative Diseases
- Neuroimaging | Neurology Conferences
- Neurosurgery and Spinal Cord Disorders
- Neuropsychology and Neurorehabilitation
- Neuroimmunology and Neurological Infections
- Genetics and Epigenetics in Neurodegenerative Disorders
- Pediatric and Geriatric Neurology

## Brain Science 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
  - ☞ Journal of Neuroinfectious Diseases
  - ☞ Journal of Neuroscience and Neuropharmacology
  - ☞ Journal of Neuroscience & Clinical Research

# Program at Glance

June 01, 2020

| Time | Session |

Sydney is the city capital of the state of New South Wales, Australia. It situated on Australia's south-eastern coast. Sydney is the country's biggest city and, with its grand harbour and vital position, is one of the most significant ports in the South Pacific.

Sydney, the first colony set up by the British in Australia, has changed from a severe convict province to the lively capital of the state of New South Wales. With a large number of nearby and universal visitors pouring in the city, Sydney has turned out to be one of the main 50 most visited urban areas in the world. Best Sydney vacation destinations go from beaches and islands to the breath-taking wildlife sanctuaries to the confusing historical centres and structures.

The city can't be underestimated for seashores, tanned bodies, and coffee martinis, with regards to business. Sydney realizes when to replace the surfboards with a corporate arrangement. Australia's biggest city is home to a portion of the country's most creative and forward-thinking venues, alongside a choice of boutique venues that features the country's laid-back belief system.
