Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Oncology, Cancer Genomics, Cancer Research, Radiation Oncology, Cancer Biomarkers, Next Generation Sequencing and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

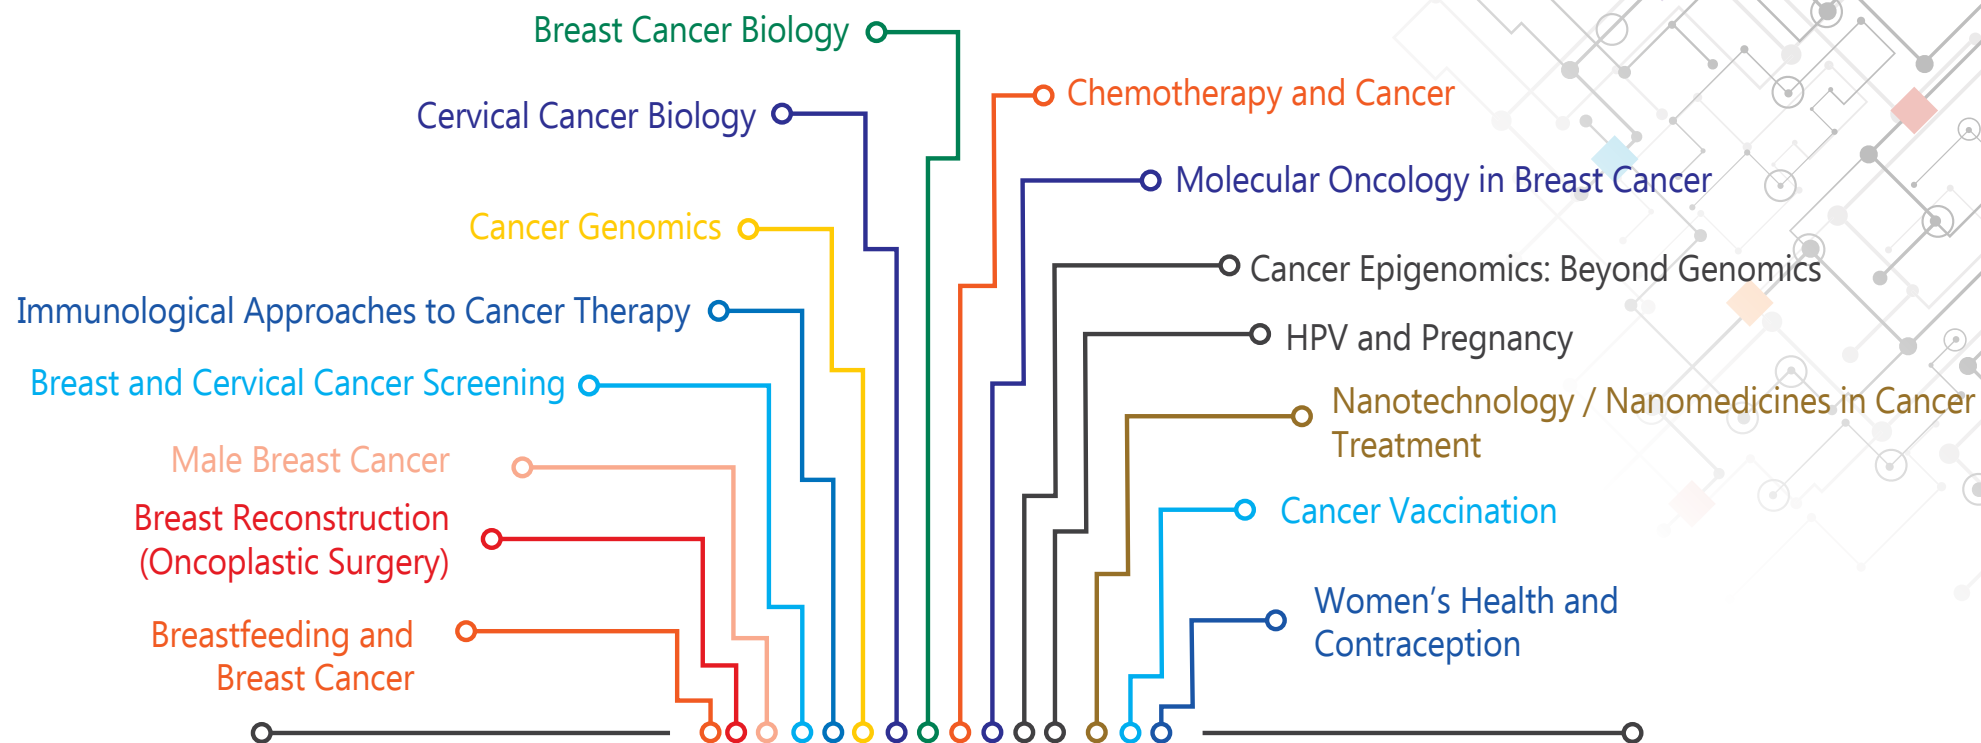

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Venue & Hospitality

Amsterdam, capital of the Netherlands! It is in the province 'Noord-Holland', situated in the west and one of the most popular destinations in Europe, receiving more than 4.5 million tourists annually. Amsterdam is headquartering many large Dutch institutions with a base to seven out of World's 500 largest companies such as Philips, ING, Uber, Netflix, and Tesla. Amsterdam is unique for its large and untouched historic Centre with a rich architectural history, dominated by water. It is a meeting point for all different cultures around the world and has a welcoming attitude towards visitors. It also bagged 12th position worldwide in terms of quality living environment & infrastructure stated by one research group.

Amsterdam is well known for its museums, red light district, coffee shops but also the great variety of eating & drinking places and night life. It is the world's most multinational cities representing about 177 nationalities which define its unity in diversity motto. It even privileges to be the 'Gay capital of Europe'. Therefore several hotels and hostels can be found on different locations, value for money and environment. Amsterdam is well associated with Metro services, tram, train, bus and Airport with other cities in Europe as well as major cities of the world. Amsterdam Airport Schiphol is the main International Airport and is less than 20 minutes far from the city central station. Amsterdam is listed under most bicycle-friendly cities in the World.

We look forward to meeting you at the beautiful city of Amsterdam.

BreCeCan 2019

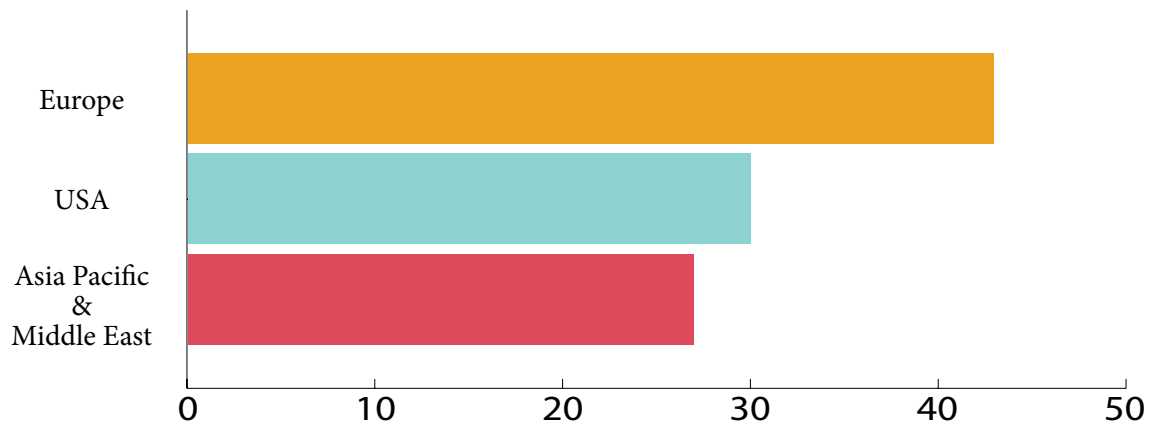

our DELEGATE is your CLIENT

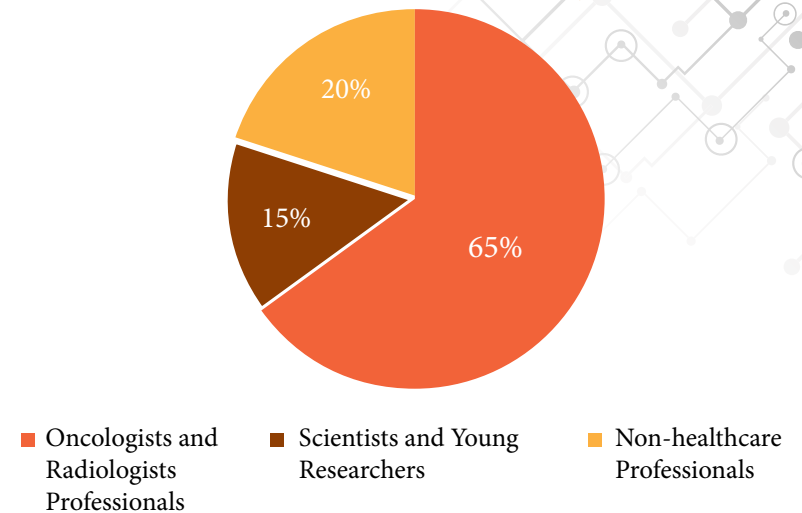

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2017-2018, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan, Spain and UAE
