

WEBINAR 2020

SCIENTIFIC PROGRAM

26th European **DIABETES CONGRESS**

&

16th World Congress on **HEALTH CARE AND TECHNOLOGIES**

15 JUNE | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
