Dear Potential Sponsor/Exhibitor,

Conference Series LLC Ltd., the World Class Scientific Events Organizer is hosting **World Congress on Carbon and Advanced Energy Materials** during **September 23-24, 2019** at **Hong Kong**.

We warmly invite you to sponsor/attend/give a speech at Carbon Materials 2019.

Conference Series LLC Ltd. Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Carbon Materials 2019 is "Carbon Based Materials for Next Generation".

Carbon Materials 2019 stands for advertising of the products/services of the companies in the Composite Materials core sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,
Carbon Materials 2019

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Carbon Materials 2019, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (September 23, 07:00 AM to September 24, 11:00 PM) without an agreement in writing from the Carbon Materials 2019 Organizers.
