Scientific Program

The background of the entire page is a photograph of the Eiffel Tower in Paris, France, set against a bright blue sky with scattered white clouds. The tower is the central focus, extending from the bottom towards the top. Overlaid on the tower is a large, stylized heart shape. The heart is composed of two thick, curved lines: a red line on the right side and a dark blue line on the left side, both curving upwards and meeting at the top. The tower's base is partially obscured by the bottom of the heart graphic.
