

CARDIOLOGY MEET 2018

World Cardiology and Cardiologist Meeting

September 11-12, 2018 | Stockholm, Sweden

Theme: Cardiology Experts Meet for Healthy Heart

Dear Colleagues,

Conference Series llc LTD is delighted to welcome you to Stockholm, Sweden for the Prestigious **World Cardiology and Cardiologist Meeting**.

The conference will focus on **“Advancements on Cardiology and Cardiovascular Diseases”**. We are confident that you will enjoy the scientific program of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Cardiology Meet Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Paris this August

Sincerely,

Cardiology Meet 2018

About Stockholm

Stockholm is the capital of city Sweden and the most populous in the Nordic countries. Stockholm is the cultural, media, political, and economic centre of Sweden. About 942,370 people live in the municipality of Stockholm, approximately 1.5 million are in the urban area, and 2.3 about million in the metropolitan area. Stockholm is the seat of the Swedish government and most of its agencies, which includes the highest courts in the judiciary, and the official residencies of the Swedish monarch and the Prime Minister.

The beautiful Swedish capital prides itself on being open to one and all, A lot of things about Stockholm has progressive written all over it, from the gender-neutral preschools and disco for senior citizens to fitness chains offering free training in the parks to the fact that Drottningholm, the beautiful garden by the Royal palace, is open for everyone to enjoy. Stockholm is, in short, a must-visit!

The climate in Sweden is typically temperate in the south of the country. This means it has cold, cloudy winters and cool, partly cloudy summers. For Stockholm in January the daily average maximum temperatures is 1 degrees Celsius with the average minimum -4 degrees Celsius, while in June the average maximum is 20°C (with a minimum of 10°C. The wettest month for Stockholm is September, while the driest month is January.

The major universities include Stockholm University, KTH Royal Institute of Technology, Karolinska Institutet, Södertörn University, Stockholm School of Economics, and Royal Institute of Art, The Swedish School of Sport and Health Sciences.
