Program Announcement

12+ Interactive Sessions

Venue

Bangkok, Thailand

Important Dates

Early bird registration: April 25, 2019

On spot registration: August 15, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Cardiology Summit 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Health Care.

About Bangkok

Bangkok, Thailand's capital city is known for its ornate shrines and vibrant street life. It is considered to be the erstwhile royal kingdom of Thailand located in the South-East Asia. One of the largest and busiest cities in the region, Bangkok represents a microcosm of Asia wherein traditional culture and 21st century modernity coexists peacefully. Bangkok is also known as "Krung Thep" which means "City of Angels". It is said to welcome more visitors than any other city in the world. Bangkok is known to feature both old-world charm and modern convenience. The city is now a major regional force in finance and business. It is an international hub for transport and health care and has emerged as a regional centre for the arts, fashion and entertainment. The city is well known for its vibrant street life and cultural landmarks, as well as its notorious red-light districts.

Historic buildings and temples are scattered throughout the city. The Grand Palace is one of the Thailand's most important tourist sites which shows the Thai Royalty. Buddhism is considered the country's official religion, and Bangkok is Thailand's Buddhist center, home to many of the country's most famous temples, called wats. Bangkok's famous temples include the Wat Pho and the Wat Traimitr.
