

# CERAMICS WEBINAR 2020

6<sup>th</sup> International Conference and Expo on  
**Ceramics and Composite Materials**  
08 June | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
