Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Chemistry 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Materials and Polymer Chemistry.

About Bangkok

Bangkok, the Capital of Thailand is known for its beautifully decorated Shrines and energetic street life. Bangkok has its roots of small trading in the 15th century which has been developed into an elegant city of modernization. It remains as an international hub for transport and health care and emerged as a regional centre for the arts, fashion, entertainment. The Chao Phraya River filled with boats adds beauty to Bangkok along with the opulent Grand Palace and the sacred Wat Phra Kaew Temple. The Wat Pho temple famous for the reclining Buddha and the Wat Arun Temple with its steep steps and Khymer-style spire is situated opposite to the shore which makes Bangkok, a place filled with grace and beauty.
