Dear Potential Sponsor/Exhibitor,

Conference Series llc LTD., the World Class Scientific Events Organizer is hosting **2nd Annual Congress on Polymer and Materials Chemistry** during **April 15-16, 2019** at **Osaka, Japan**.

We warmly invite you to sponsor/attend/give a speech at Chemistry 2019.

Conference Series llc LTD. Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Chemistry 2019 is "**Pragmatic impacts of polymers and materials in human daily life**".

Chemistry 2019 stands for advertising of the products/services of the companies in the traditional and ancient medicine core sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,
Chemistry 2019
Operating Committee

Journals

The Conference is supported by the Editors-
Polymer Sciences Journal
Journal of Polymer Sciences & Applicants
Journal of Material Sciences & Engineering

Why with us???

- 700+ Open Access Journals
- 50000 Editorial team
- 50000 Reviewers team
- 3.5 Million readers
- Quality and quick editorial, review processing
- 21 Days rapid review process
- Publication within 7 days of acceptance

Conferences

- 3000 Conferences all over the world in 2017-18
- Providing Delegates and Speakers across the globe with an unparalleled opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

Conference Sessions

- Organic chemistry
- Natural Polymers
- Synthetic polymers
- Chemistry and polymer science
- Analytical polymer science
- Polymers in medical applications
- Polymers in navy
- Polymers in tissue engineering
- Drug delivery systems
- Polymers for advanced technologies
- 3D printing of polymers and metals
- Metallurgy
- Ceramic science
- Solid state chemistry
- Materials analysis
- Instrumentation for materials research
- Electronic and Information materials
- Energy applications of material science
- Challenges to material science
- Innovation in material technologies

Unique features

- User friendly/feasible website-translation of your paper to 50 world's leading languages
- Audio version of published paper
- Digital articles to share and explore
- Sharing Option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Scope of enhancing marketing opportunities and collaborations
Exposure of your corporate logo in our Chemistry 2019 conference website
Advertising high quality information of your company/products by linking through International Journals
Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions
Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies
Global networking: In transferring and exchanging Ideas
Conference brings together Eminent Researchers, Business Entrepreneurs and Industry Developers
We are looking forward for your active participation and make this event a memorable one

B2B Partnering

Chemistry 2019 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

We expect your precious comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

Are you interested in joining as our Scientific Partnering partner?

What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)

Do you have any suggestions for our Scientific Partnering?

Please submit your queries by email to: conferencemanager@worldhealthsummit.net

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Chemistry 2019, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (April 15, 21:00 PM to April 16, 11:00 PM) without an agreement in writing from the Chemistry 2019 Organizers.
