

**Global Conference on
Climate Change & Environmental
Science**

July 24-25, 2021 Webinar

July 24, 2021 | Webinar | UTC+01:00 (Europe Time)

July 24, 2021 (Program Overview)

04:30-05:00	Opening Ceremony & Introduction
Keynote Forum	
05:00-05:45	Title: Philippine solid waste segregation/disposal as a community response to the impacts of climate change Geronimo Antonio B. Singson, Vice-President, Philippine Institute of Environmental Planners, Philippines
Panel Discussion	
Speaker Sessions	
05:45-06:15	Title: Sea level rise and coastal hazards: Case study—New York City Vivien Gornitz, SciSpace LLC, USA
06:15-06:45	Title: A look into the long-term autocorrelation pattern of the Indian summer monsoon rainfall through rescaled range analysis Surajit Chattopadhyay, Associate Professor, Amity University, India
06:45-07:15	Title: Building integrated solar technology, the pivotal solution to enhance building efficiency Danial Hadizadeh, Founder & CEO, Mitrex, Canada
07:15-07:45	Title: Radiocarbon evidence for anthropogenic cause of climate warming with analysis of CO ₂ and 14CO ₂ trends and seasonal oscillation Alexey V. Byalko, Deputy Editor-in Chief, Landau Institute for theoretical physics RAS, Russia
07:45-08:15	Title: The contribution of climate smart interventions to enhance sustainable livelihoods in Chiredzi District Defe Rameck, Midlands State University, Zimbabwe
08:15-08:45	Title: Environmental impact analysis for industrial heating/cooling systems Prakash Pargh, Pandit Deendayal Petroleum University, India
08:45-09:15	Title: Indigenous knowledge systems as a tool for tree biodiversity conservation: The roles of ancestral sanctions (Seera): Lesson from gedeeo community, Southern Ethiopia Yoseph maru, Dilla University, Ethiopia
09:15-09:45	Title: Variability of climatic elements in nigeria over recent 100 years Damasus Idiege Afo, University of Agriculture, Nigeria
09:45-10:15	Title: Climate change effect in terrestrial plant community dynamics in Guinea Savanna region: The case of Taraba State Nigeria. Tairuf Salami, Federal University, Nigeria
Panel Discussion	
Thanks giving & Closing ceremony
