About Hong Kong

Hong Kong has created from a little angling town in the 1800s into a dynamic and exciting 21st century cosmopolitan city. It is a clamoring seaside city loaded with noteworthy elevated structures, and a combination of eastern and western societies. It gladly declares itself to be 'Asia's World City' and remains a key door to China.

Hong Kong is without a doubt one of the busiest intersections amongst China and whatever is left of the world for business voyagers. Aside from gatherings and meetings, it is likewise a best visitor goal in Asia with its draw of shopping and plenty of feasting choices. However Asia's worldwide city is something other than gatherings, nourishment and shopping. It's geology and special mix of East and West introduces a smorgasbord of Chinese conventions and traditions, amusement parks, neighborhood food and verdant wide open to excite the guest for a considerable length of time.

It was viewed as the world's best goal for relaxation guests and gatherings in 2012. Hong Kong was voted the "Best FIT Destination of the Year" in the China Travel and Meeting Industry Awards 2012 sorted out by travel magazine Travel Weekly. It was additionally named the "Best City for MICE Events" in the 2012 Industry Awards composed by CEI Asia Pacific magazine.

It is comprised of four sections: Hong Kong Island, Kowloon Peninsula, the New Territories and the Outlying Islands. The prosperous island is the focal point of economy, legislative issues, amusement and shopping with its southern part noted for ocean shores and inlets. Kowloon is another prospering part where Tsim Sha Tsui, Yau Ma Tei and Mong Kok are the most well known goals. The New Territories and Outlying Islands are perfect spots to encounter a serene and common occasion.

Because of the invaluable topographical area, Hong Kong fills in as a critical transport center point between universal urban communities and districts with real urban communities in Mainland China.
