About Osaka
Osaka is located on the main island of Honshu, roughly in the center of Japan which includes population of 2.69 million and an area of 225.21 square kilometers. Osaka is 2nd largest city in the Japan and 13th largest city in the world also it is considered as world's 3rd most secure city. The Osaka city is divided into two areas: the Umeda area which is known as Kita and the Namba area, which is called as Minami. Osaka is charmed and relaxed city which is famous for food, fun and nightlife also it is a great place to discover about the Japanese history. Osaka has the potential to lead Japan's economy along with the Tokyo. Osaka has a large-scale market and developed urban infrastructure, also it has many other strengths as well such as technology, tourism, sports and culture.

Kansai International Airport is the nearby airport to the Osaka which is a highly convenient transportation system including the 24-hour and it welcomes around 7 million visitors around the globe every year. Osaka is known for its arts and culture which includes historic sites and cultural properties, rich food culture and abundant tourism resources.
