About Hong Kong

The autonomous territory of Hong Kong in a territory of 1,104 km² is located on the eastern side of the Pearl River, south of the Chinese province of Guangdong. It is the fourth most densely populated country with 7.3 million people. It is ranked as the world's competitive and freest economic areas holding the highest Financial Development Index. The Hong Kong dollar is the 13th most traded currency.

Tourist attractions in Hong Kong:

Hong Kong Disneyland a theme park located in Lantau Island has many themed lands like Adventureland, Fantasyland, Tomorrowland, Grizzly Gulch, Mystic Point and Toy Story Land. Tian Tan Buddha known as Big Buddha is located is a large bronze statue of Buddha Shakyamuni in Ngong Ping, Lantau Island. Victoria Peak is the highest point on Hong Kong Island with seven million visitors every year. It offers views over Central, Victoria Harbour, Lamma Island and the surrounding islands. Peak Tram is a funicular railway which carries both tourists and residents to the upper levels of Hong Kong Island offering good view over the harbour and skyscrapers of Hong Kong. Sky100 is a 360-degree indoor observation deck on the 100th floor of the International Commerce Centre in West Kowloon, Hong Kong. Hong Kong Space Museum is a museum of astronomy and space science in Tsim Sha Tsui. It was the first local planetarium. Lamma Island is the third largest island in Hong Kong. Lamma is peaceful and tranquil with an abundance of natural scenery. Ten Thousand Buddhas Monastery is a Buddhist temple located in Sha Tin.
