## Accommodation

A large number of rooms have been reserved. Discounted room rates for Clinical Psychologists 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Clinical and Counseling Psychology.

## About Singapore

Singapore is most popular city in South East Asia; it is established as a British trading colony in the year of 1819. Uniting the skyscrapers and subways of a modern, wealthy city with a medley of Chinese, Malay and Indian impacts and a tropical climate, with tasty food, good shopping and a lively night-life scene, this Garden City makes a great stop-off or springboard into the region.

Singapore is one of the most famous travel terminuses in the world for a lot of reasons. One of which is the less severe entry requirements. Population is over 5.5 million people it is a very crowded city, second only to Monaco as the world's most densely populated country.
