Venue

Frankfurt Germany

Important Dates

Abstract submission opens: December 1, 2019

Registration opens: December 1, 2019

Early bird registration: 15 January 2020

On spot registration: October 21, 2020

Accommodation

A large number of rooms have been reserved. Discounted room rates for Clinical Trial 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The congress center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field Pharma And Clinical Trial .

About Frankfurt

Frankfurt am Main, the dynamic and international financial and trade fair city with the most imposing skyline in Germany. This is the image that many visitors associate with the Main metropolis. But the city in the heart of Germany and Europe can offer many other facets and contrasting variety. Near to the skyscrapers you can find cosy Ebbelwei pubs and at the heart of the bustling city centre you can find historical sights again and again. Frankfurt is not just proud of its most famous son, Johann Wolfgang von Goethe. The Kaiserdom (Cathedral) and the Paulskirche, the cradle of German democracy, are also to be found here. Interesting destinations for excursions in and around Frankfurt turn your stay into a great experience and you will love to come back. Culture Thanks to its varied and comprehensive cultural offering, Frankfurt am Main enjoys an excellent reputation at both the national and international level. The highlights of the Frankfurt cultural scene undoubtedly include the 'Museumsufer', where 11 well-known museums are lined up like a string of pearls on both sides of the Main. Around 50 other museums and exhibition halls, including, for example, the Schirn Kunsthalle, are situated in the immediate vicinity or in a central location.
