Algoma University, Canada

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Cloud Computing 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Cloud Computing and Virtualization.

London

London, the capital of United Kingdom is one of the most famous places in the whole world situated on the bank of River Thames in the south-eastern part of Great Britain. Since, two millennia London has been a region with some of the major settlements which are taking place. London, being one of the leading metropolises having contributions in a wide range of fields like finance, healthcare, education, media, arts, entertainment, commerce, fashion, R&D, tourism, transportation and professional services. The maximum places in London are devoted to parks and open spaces which are meant to relax on fine days. Historically London was split between Hertfordshire, Essex, Kent, Middlesex, and Surrey, which in the present date makes up Greater London, which is governed by the Mayor of London and the London Assembly.

Abstract Submission
