Dear Potential Sponsor/Exhibitor,

Conference Series llc LTD, the World Class Scientific Events Organizer is hosting [International Conference on Computational Biology and Bioinformatics](#) during September 05-06, 2018 at Tokyo, Japan.

We warmly invite you to sponsor/attend/give a speech at Computational Biology 2018.

Conference Series llc LTD Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Computational Biology 2018 is "[Computational Biology: Going into the future one click at a time](#)".

Computational Biology 2018 stands for advertising of the products/services of the companies in the Composite Materials core sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,
[Computational Biology 2018](#)

- Sharing Option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conferences

- 3000 Conferences all over the world in 2017-18
- Providing Delegates and Speakers across the globe with an unparalleled opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

Conference Highlights

- Emerging Trends in Genomics
- Emerging Trends in Proteomics
- Health Informatics in Bioinformatics
- Computational Genomics
- Evolutionary Bioinformatics
- Computational Pharmacology
- Bioinformatics Algorithms & Databases
- Biostatistics - An Approach to
- Bioinformatics
- Epigenetics
- Clinical Case Reports
- Bioinformatics and Computational Biology
- Systems Biology in Bioinformatics
- Structural Bioinformatics
- Immunology and Drug Discovery

Benefits/Advantages

Scope of enhancing marketing opportunities and collaborations

Exposure of your corporate logo in our Computational Biology 2018 conference website

Advertising high quality information of your company/products by linking through International Journals

Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions

Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies

Global networking: In transferring and exchanging Ideas

Conference brings together Eminent Researchers, Business Entrepreneurs and Industry Developers

We are looking forward for your active participation and make this event a memorable one

B2B Partnering

Computational Biology 2018 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

We expect your precious comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

Are you interested in joining as our Scientific Partnering partner?

1. What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)
2. Do you have any suggestions for our Scientific Partnering?

Please submit your queries by email to: bioinformatics@conferencesworld.org, bioinformatics@annualcongress.net Fax: +1-650-618-1414

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Computational Biology 2018, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (September 05, 07:00 AM to September 06, 11:00 PM) without an agreement in writing from the Computational Biology 2018 Organizers.
