B2B Meetings

Dear Colleagues,

Conference Series llc LTD., is delighted to welcome you to Singapore for the Prestigious **2nd International Conference on Computational Biology and Bioinformatics**. Computational Biology 2019 will focus on “**Exploring the Challenges and Excellence in Computational Biology Research**”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Singapore.

With Regards,

Computational Biology 2019

Operating Committee, Conference Series LLC Conferences

Editorial Board Members of Supporting Journals:

James Lyons-Weiler

University of Pittsburgh, USA

Haipeng Shen

University of North Carolina, USA

Simon Daefler

Mount Sinai School of Medicine, USA

Jennifer Dommer

National Institutes of Health, USA

Jixiang Wu,

South Dakota State University, USA

Yufeng Liu

The University of North Carolina, USA

Alexander E Berezin

Zaporozhye, Ukraine.

Tamanna Sultana

University of Pittsburgh, USA

Robert L. Jernigan

Iowa State University, USA

Krestyaninova M

Wellcome Trust Genome Campus, UK

Venue
Singapore

Important Dates

Abstract submission opens: September 24, 2018
Registration opens: September 24, 2018
Early bird registration: November 05., 2018
On spot registration: May 17,2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Computational Biology 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Aquaculture and Fisheries.

About Singapore

SINGAPORE, known as “the LION city,” becomes a favourite destination because it is a global city and is a densely populated island with tropical flora, parks and gardens. Singapore is a global commerce, finance and transport hub. Singapore is considered as an important centre for higher education and harbours, healthcare, well reputed and prestigious colleges and Universities. Singapore conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide. The conferences taking part here would promote a variety of scientific ideas among contenders belonging to diverse areas of science and technology. Apart from this, Singapore has been set aside for parks and natural reserves. The network of natural reserves, parks, park connectors, natural ways, tree-lined roads and other natural areas have enhanced the sense of green space in the city which will keep you busy for weeks. Singapore has a tropical rainforest climate with no distinctive seasons, uniform temperature, pressure, high humidity and abundant rainfall. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, Pulau Hantu famous for its rich coral reefs and Peranakan Museum are some of the points of interest in Singapore. A splendid location, life expectancy, quality of life, personal safety and housing that is unsurpassed for its liveability makes Singapore a city to visit and remember.
