SPONSORSHIP OPPORTUNITIES

13th International Conference on Anesthesiology and Critical Care
June 01-02, 2020 Istanbul, Turkey

our DELEGATE is your CLIENT
Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Anesthesia, Trauma and Critical Care, Pain Medicine Anesthesia, Emergency and Acute Care Medicine, Ambulatory Anesthesia and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

Turkey has an interesting site at the junction of East and West which develops this nation with about ten-thousand years of history. As a feature of Asia and part of Europe, Turkey has amazingly wide climatic and geographical diversities. Because of its area, included via oceans on three sides, Turkey as reliably been the central point of extraordinary exchange, silk, and zest courses. The nature of the exercise and presentation staff at Turkish Universities offers you a universe of chances to get the right stuff you will need for a world. In Turkey, understudies will have the chance to meeting both progression and tradition in one of the safest and most stable nations in the locale. Persons from throughout the world visit Istanbul city due to its tremendously extraordinary area, spiritual importance, history and less expensive costs compared with other European areas. Istanbul stays aware of the progressions and developments in the tourism part while safeguarding its social heritage. Above all, the high calibre of training will make you prepared for what’s to come.

Also, there are many institutes, universities and associations in Turkey dealing with the researchers on Nanomedicine and Nanomaterial which might be more helpful for conducting the event in Indonesia due to its helpful and supportive surrounding.
Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2018-2019, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain.
