14<sup>th</sup> Annual conference on

## Crop Science and Agriculture

November 29-30, 2018 | Bali, Indonesia

our DELEGATE  
is your CLIENT

# Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Agriculture, Horticulture, Crop Science, Biodiversity, soil science and much more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

Workshops and  
Special Sessions

40+ Oral  
Presentations

25+ Poster  
Presentations

Young  
Researchers  
Forum

# Conference Sessions

# Venue & Hospitality

Bali is an Indonesian island known for its forested volcanic mountains, iconic rice paddies, beaches and coral reefs. The island is home to religious sites such as Cliffside Uluwatu Temple.

Bali is a popular tourist destination, which has seen a significant rise in tourists since the 1980s. Tourism-related business makes up 80% of its economy. It is renowned for its highly developed arts, including traditional and modern dance, sculpture, painting, leather, metalworking, and music. 'Paradise on Earth' and the 'Island of the Gods' are just not simply the names given to Bali, these names personify the beauty of Bali. Bali never ceases to charm with its diverse natural treasures. Trip to Bali can be filled with culture, nature, art, the spiritual or, even better, all of these. Bali received the Best Island award from Travel and Leisure in 2010. Bali won because of its attractive surroundings (both mountain and coastal areas), diverse tourist attractions, excellent international and local restaurants, and the friendliness of the local people. According to BBC Travel released in 2011, Bali is one of the World's Best Islands, ranking second after Santorini, Greece.

# our DELEGATE is your CLIENT

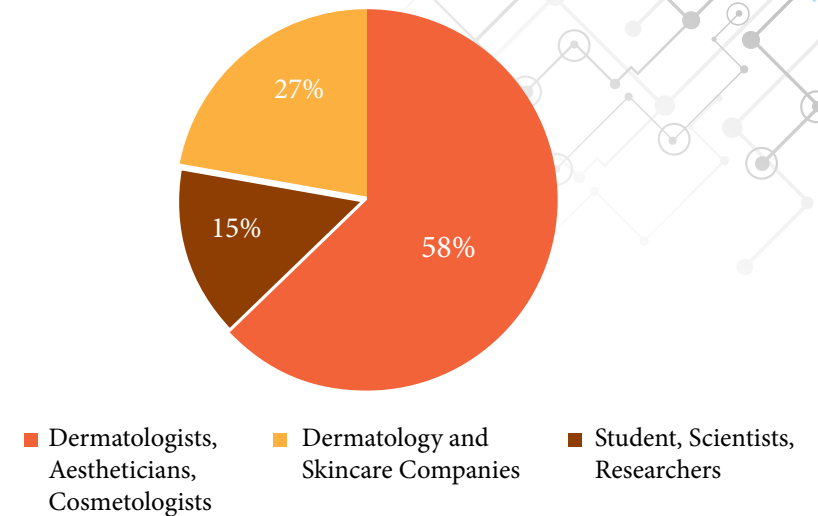

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2016-2017, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain
